Camp Worthington

In 1966, in conjunction with CFB Penhold, Mr. L. Patrick (Pappy) Worthington, operated a Pilot Bush Familiarization Camp on the Raven River about 40 miles southwest of Penhold. The Camp was so popular with the Cadets and RCAF training staff that it was decided to establish a permanent camp.

Pappy Worthington strongly believed that urban youth should have the opportunity to experience life in the great outdoors and “rough” it a bit.

Self Confidence Self Discipline Leadership

Camp Worthington offers an excellent opportunity for the development of:

- self -confidence through survival skills training
- self -discipline by providing a challenging and rigorous program; and
- Leadership in a wilderness setting.

Schedule a visit to see what camp life has to offer!

What can you expect?

Camp Worthington is located on 12.5 acres of land leased from Alberta Sustainable Resources and consists of the following facilities:

- Mess hall / kitchen with wood burning stoves for both cooking and heating. The mess hall accommodates 71 people.
- Latrines: 2 male and 2 female with pump out septic system
- 6 sleeping cabins with a total capacity of 60 people. Each cabin has a wood burning stove for heating purposes
- Wood shed: firewood is provided for use in cabin stoves and the mess hall
- A C-can behind the mess hall contains a generator, fire extinguishers, shovels, brooms and other camp supplies
- A designated POL building located behind the C-can – this is an all metal building

A spectacular wilderness setting on the eastern slopes of the Canadian Rockies!!

Q&A

How can my squadron book Camp Worthington?

Send your preferred dates and contact information and the Camp Director will provide all information you require.

Is the Camp open all year round?

Yes – Camp is available for booking 365 days of the year.

Can a bus or coach access the Camp?

Yes – the camp is designed to allow a full sized bus / coach to pull right in.

Is there water available?

Yes – the camp well is fully certified as potable and tastes better than anything that comes from a tap!

What kinds of activities have squadrons done in the past?

This is really only limited to your imagination! Some activities are:

- shelter building
- fire starting
- compass
- navigation
- orienteering
