Wreaths Across America or Honouring Allies and Remembering Together - more than 200 Royal Canadian Air Cadets and Civil Air Patrol Cadets met at the International Border at Coutts, Alberta to honour each nations military sacrifices and pay homage to veterans. Cadets from eight southern Alberta Squadrons parades made up the Canadian contingent. Three Silver Cross Mothers were presented memorial wreaths - all three had lost a son in Afghanistan. Following the ceremony everyone met in the Coutts School gym for a light lunch and social before returning to their respective units.
