

## Ranks

It is important to standardize how we all write our ranks. While the Canadian Forces has only specified how ranks should be written out in full, we shall cover how ranks and titles should be written in short hand. Please note that there is no period after a military rank as there would be with a civilian title. (I.e. Capt Porter versus Miss. Porter)

Officer Titles	Short Form
General	Gen
Lieutenant General	LGen
Major General	MGen
Brigadier General	BGen
Colonel	Col
Lieutenant Colonel	LCol
Major	Maj
Captain	Capt
Lieutenant	Lt
